

MedStar National Rehabilitation Hospital

Welcome,

We are pleased that you are coming to MedStar National Rehabilitation Hospital (MedStar NRH) to pursue your clinical education in physical therapy. On this site, you will find information which will assist you in planning for your time here. Specifically you will find:

1. Clinical education student questionnaire
2. Logistical information about the affiliation
3. Information about directions to and parking at MedStar NRH
4. Weekly goals/expectations for PT affiliates

****Please complete and return item ONE to me as soon as possible.** We need this information prior to the start of your affiliation. You can submit the questionnaire to maria.m.summers@medstar.net, fax it to 202-723-6071 or mail it to the address below:

MedStar NRH is a 137 bed free-standing rehab hospital that is organized into six inpatient services. These services are: cerebral vascular accident, spinal cord injury, cardiac rehab, traumatic brain injury, general medicine and pediatrics. For inpatient affiliations, students are assigned to one of our inpatient units for the duration of their clinical affiliation.

If you require any additional information, please contact me at 202-877-1562 or via email at maria.m.summers@medstar.net. You may also visit MedStarNRH.org for more general information about the MedStar National Rehabilitation Network. Our Team Members and I look forward to welcoming you to our service and working with you to plan your clinical education experience.

Sincerely,

Maria Summers, PT, NCS, CCCE
