

MedStar Health

Our surgery center **at Lafayette Centre.**

MedStar Surgery Center is a state-of-the-art outpatient surgical facility conveniently located on the 10th floor of Building 2 of MedStar Health at Lafayette Centre in downtown, Washington, D.C.

Our surgery center entrance on the 10th floor of Building 2

Lafayette Centre Building 2 lobby entrance from the courtyard

Lafayette Centre 21st Street garage entrance

From the 21st Street parking garage

- From the garage, enter Building 2 and use the touchscreen on the outside of the destination elevator to select "10th floor." The elevator may take a few moments to arrive after making your selection. Thank you for your patience.
- You will immediately see the MedStar Surgery Center entrance and check-in desk as you exit the elevator on the 10th floor.

From the street or Metro

- Enter the Building 2 lobby from the courtyard, accessible from 21st Street or 20th Street.
- Using the touchscreen on the outside of the destination elevator, select the 10th floor, and the touchscreen will display which letter elevator (A, B, or C) you should use. If assistance is needed, our MedStar Health associate located to the right of the lobby can assist.

The surgery center performs surgeries and procedures only. To schedule or change any follow-up appointment, surgery, or procedure, please contact your referring physician's office.
