

Vocational rehabilitation services provide assistance with securing, regaining and retaining employment for individuals with disabilities. Goal of this program is to minimize or remove the barriers for employment.

Resources are provided based on residency.

DISTRICT OF COLUMBIA

D.C. Department on Disability Services: Vocational Rehabilitation Services

Vocational Rehabilitation (VR) program provides vocational and rehabilitative services to individuals with disabilities to help them prepare for, secure, regain or retain employment. Persons with disabilities may face challenges in today's modern workplace. We believe that people with disabilities, given the right opportunities can work and be fully integrated into mainstream society and the work place. Vocational rehabilitation services can reduce or remove barriers to employment.
